Need printers ASAP?  
We can drop ship!

## C Series Extended Warranty Promotion

Get an extra year warranty at no cost, making it the  
longest warranty in its class – C Series 3 year warranty

Healthcare • Pharmacy • Manufacturing • Retail

The C Series is CognitiveTPG's most versatile line of thermal label printers, now with a 3 year warranty (for limited time only). The size of a small desktop printer but with the performance of a big box printer, C Series printers deliver value and functionality to fit multiple applications and industries. The C Series offers multiple connection options, fast print speeds, large roll capacity, ample RAM and Flash memory, and an LCD screen combined with a USB-A port for standalone applications.

### Terms and Conditions
